

INTERNATIONAL YOUTH & FAMILY WORKING SUMMER CAMP 2019

25th- 31st August 2019

FANO (Pesaro-Urbino), ITALY

Welcome to “Mediterranean: Sea of Peace”

Do you want to celebrate the 70th Anniversary of Servas with us? Come and share a week of activities, workshops, sport and fun in Fano, on hills close to the sea (5 km).

Do you want to enjoy the multi-cultural atmosphere of an international camp?, to meet old and new friends?, to share experiences and skills?.

This year the International Summer Camp is dedicated to the Mediterranean Culture, that is the mixing and the coexistence of many different cultures and way-of-living, based on the “art of welcoming”, of hospitality, of empathy and overcoming of prejudices and fears.

After 70 year of Servas foundation, WELCOMING is the way to build bridges of Peace and not walls, and to let the SEEDS of SERVAS grow in our countries. In all the countries of the world.

Come to join us! We want also to taste the local traditional food and wine, to sing and play together at night. To walk in the woods and to watch the sunset on the sea shore. But the most important thing, like in every Servas activity is to share this leisure time with friends from around the world!

We await you from 25th to 31st August to share our Servas Working Summer Camp in Villabassaprelato, Fano (Pesaro-Urbino).

It is a "working camp" as we are in a "self-ruled house", so we have to manage activities as cooking and cleaning.

It is open to all-ages (youth & families, adults): accommodation in shared rooms. It is possible to camp with tents, for a limited number.

Registration will open on 10 March.

More info about fees (approx. 130-150 eur) and registration form are following soon!
